

## M101 Series Fluorescent Light Fixture

The M101 series is designed and constructed for commercial marine recessed mount ceiling applications. It is compact and suitable for damp locations. Constructed from marine grade aluminum with an acrylic lens.

**Housing** Manufactured of die formed aluminum with welded seams.

**Lens** Watertight gasketed prismatic acrylic.

**Lens Frame** Manufactured from one piece of seamless aluminum.

**Finish** White, powdercoat polyester, inside and out, phosphate pretreated to ensure superior adhesion and corrosion resistance.

**Ballast** Standard 120 Volt, HPF. Consult factory for other options.
