

PRODUCT SPECIFICATION

The SC series is designed for use in all levels of security facilities and high abuse applications.

Mounting

Surface mounts to corner.

Housing

Die-formed cold rolled steel with seams welded and ground smooth. Stainless steel available.

Door

Outfitted with adjustable heavy gauge lens retainers.

Internal Lens

Optic Plus lens (standard) completely hides diode image while providing minimum 95% light transmission.

Finish

Polyester powder-coated after phosphate pretreatment for superior adhesion and corrosion resistance. Brushed stainless steel available.

Hardware

One piece, die-formed cold rolled steel door with 14 gauge lens retainers and a full length welded pin piano hinge. Stainless steel available.

Driver

0-10Vdc dimming, Range 10%-100%
-40°C Min. starting temperature, >0.9 PF, <20% THD.

Wiring

Driver provided with pre-wired 3-wire self-aligning input power quick disconnect and 2-wire quick disconnect to LED module.

Job Name _____

Fixture Type _____

Catalog No. _____

Approval _____ Date _____

Certifications

UL Listed damp or wet location. IP54 rated. Covered ceilings only.
